Call in Your Reading between

07/26/2006 and 07/28/2006

A meter reading from your electric meter is needed for billing purposes. You can call in your reading and enter it directly to your account record by using a push-button telephone and following the step-by-step instructions below. **Please call in your reading between the dates shown above.** If you are calling in your reading before or after the dates listed above your reading will not be used and may result in an estimated bill.

Step 1 : Please verify that the last 6 digits of your electric meter number is the same as that listed above. (Your meter number is located on a plate on the front of your meter.) Note: If the meter number is different from the meter number listed above, please call 1-888-READ-MTR (1-888-732-3687)

Step 2 : Mark the exact position of your meter dials on the dials below:

Step 3 : Enter the dial numbers into the boxes below. (Important: If the dial is between 0 and 9, use the 9. For all other instances, if the dial is between two numbers, use the smaller number.)
